

## Year to Date Comparison

From the main menu please select Report Listings:

From the first tab on the right side (Listings) which is Standard reports please select the year to date report.

As you can see the dialogue box is only slightly different in that the third option displays the difference between the previous year's totals and this year's. In order to see this report please select Previous Year Totals and then generate report. Please be aware this option does not work for specific accounts.

The following is displayed on the screen.
